A rounded rectangular box containing a pattern of three vertical lines of different heights and colors: a tall green line on the left, a short green line in the middle, and a tall green line on the right. A red arrow points to the right towards three dots on a horizontal line, indicating a transfer task.

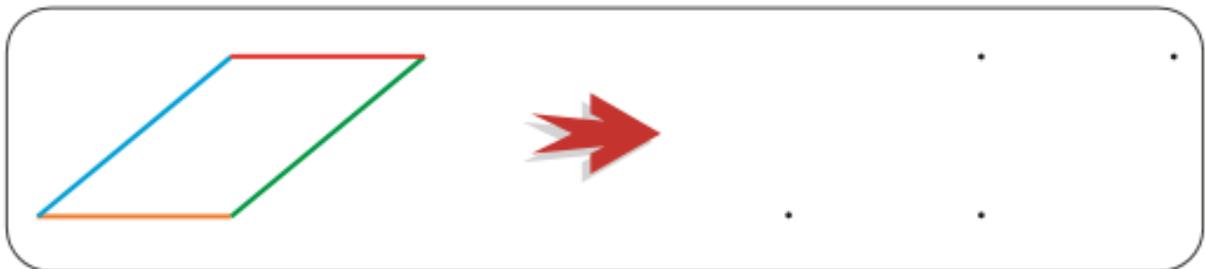

A rounded rectangular box containing a pattern of three vertical lines of different heights and colors: a tall purple line on the left, a medium blue line in the middle, and a short orange line on the right. A red arrow points to the right towards three dots on a horizontal line, indicating a transfer task.

A rounded rectangular box containing a pattern of a rectangle with a diagonal line from the top-left to the bottom-right. The top-left side is orange, the bottom-left side is green, and the bottom-right side is blue. A red arrow points to the right towards three dots on a horizontal line, indicating a transfer task.

A rounded rectangular box containing a pattern of a rectangle with a circle inside. The top and bottom sides are orange, the left and right sides are green, and the circle is blue. A red arrow points to the right towards three dots on a horizontal line, indicating a transfer task.

A rounded rectangular box containing a pattern of a parallelogram with a diagonal line from the top-left to the bottom-right. The top-left side is blue, the bottom-left side is orange, and the bottom-right side is green. A red arrow points to the right towards three dots on a horizontal line, indicating a transfer task.

Tracing exercise 1: A red wavy line pattern with four grey dots (two on the left, two on the right) is shown on the left. A red arrow points to the right, where a 2x2 grid of four grey dots is provided for copying the pattern.

Tracing exercise 2: A black wavy line pattern with four grey dots (two on the left, two on the right) is shown on the left. A red arrow points to the right, where a 2x2 grid of four grey dots is provided for copying the pattern.

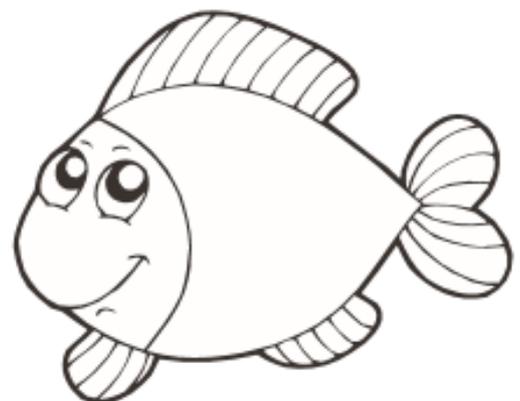

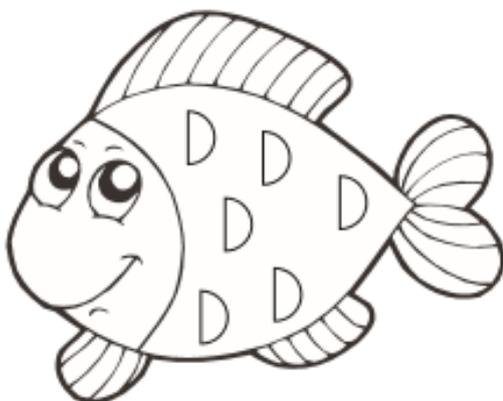

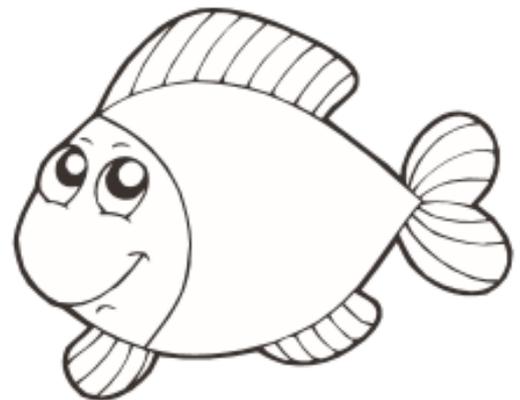

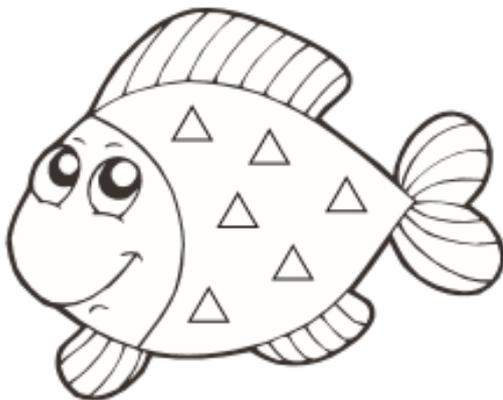

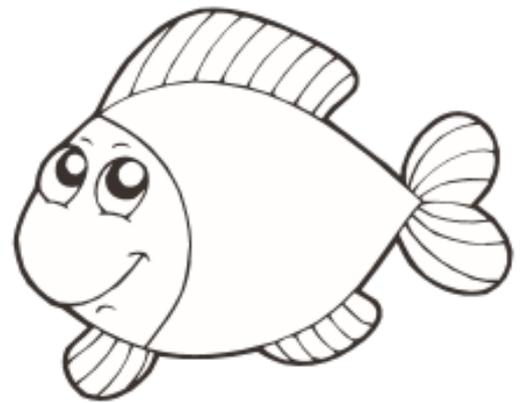

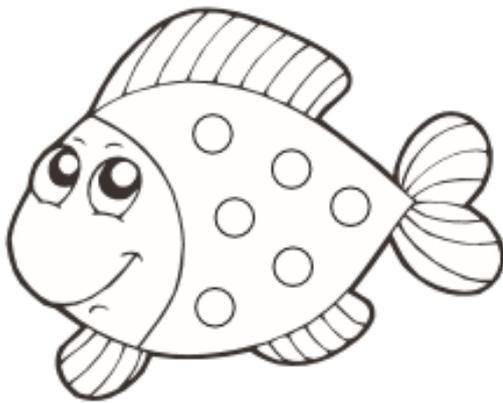

Tracing exercise 3: A black wavy line pattern with six grey dots (two on the left, two in the middle, two on the right) is shown on the left. A red arrow points to the right, where a 2x3 grid of six grey dots is provided for copying the pattern.

Tracing exercise 4: A black wavy line pattern with six grey dots (two on the left, two in the middle, two on the right) is shown on the left. A red arrow points to the right, where a 2x3 grid of six grey dots is provided for copying the pattern.

Tracing exercise 5: A black wavy line pattern with six grey dots (two on the left, two in the middle, two on the right) is shown on the left. A red arrow points to the right, where a 2x3 grid of six grey dots is provided for copying the pattern.

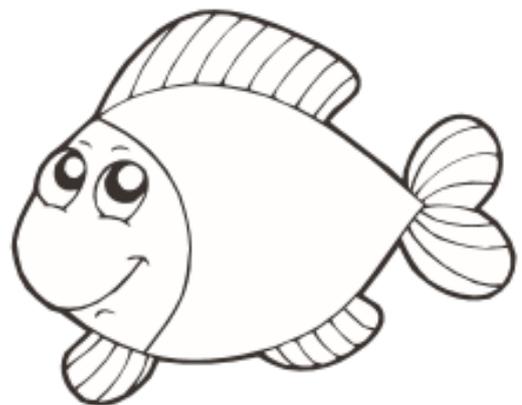

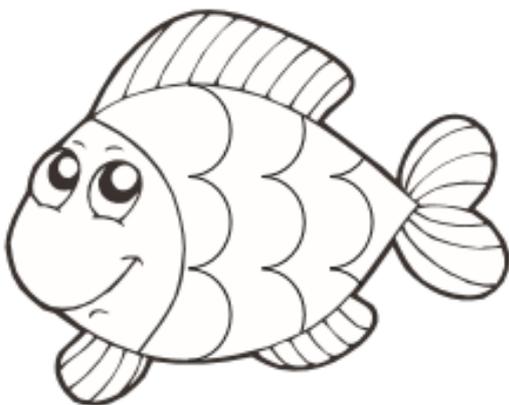

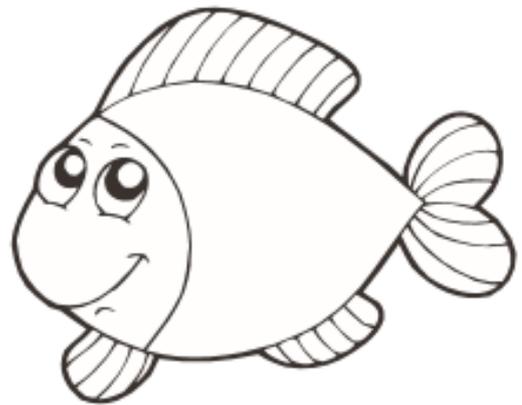

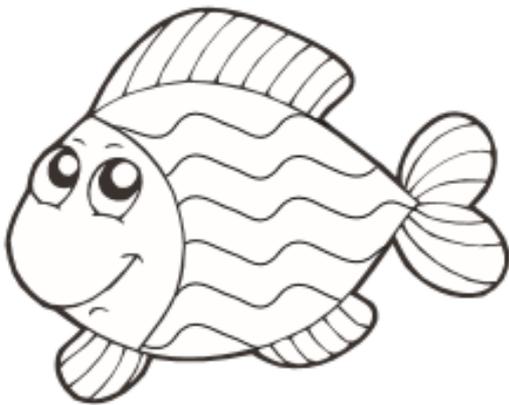

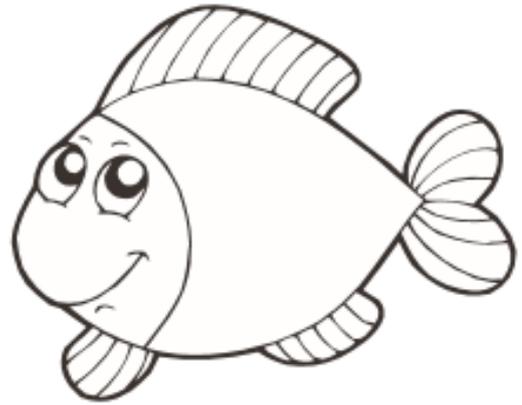

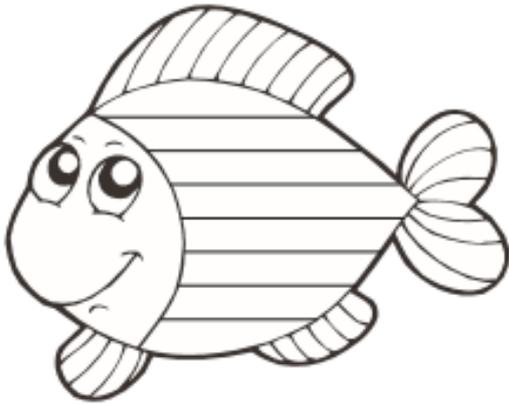

Zeichnen und Malen

Schau genau! Zeichne die gleichen Figuren in die anderen Fische und male sie aus.

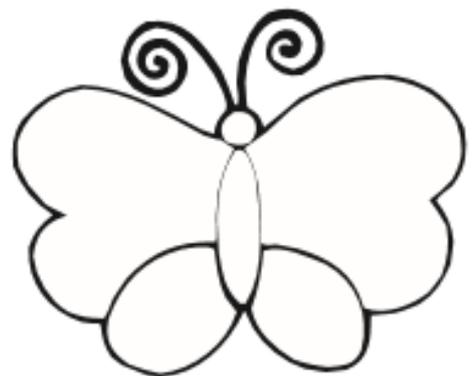

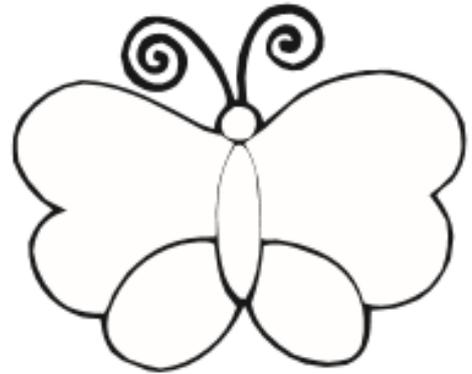

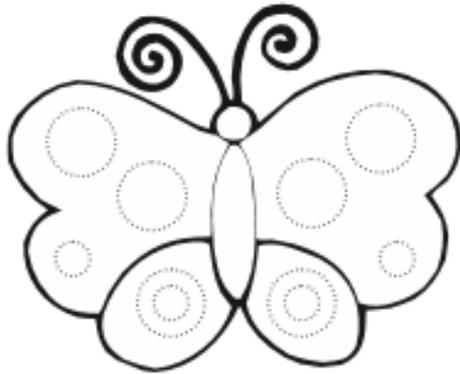

Zeichnen und Malen

Schau genau! Zeichne die gleichen Figuren in die anderen Fische und male sie aus.

Zeichnen und Malen

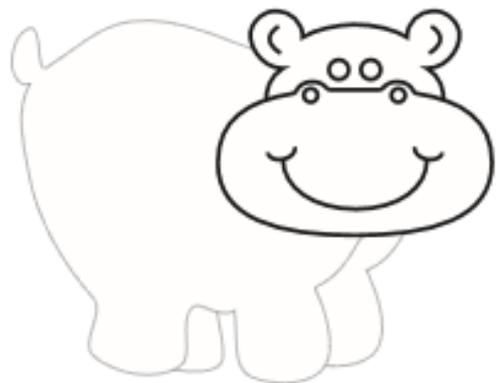

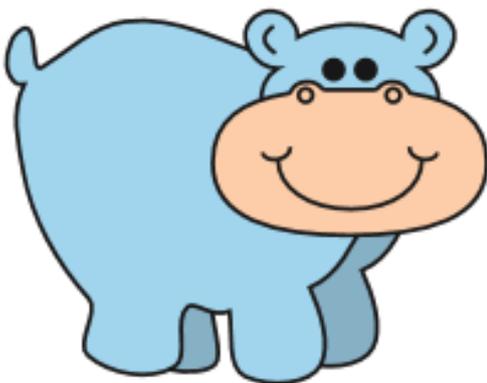

Schau genau! Zeichne die gepunkteten Linien nach, dann vervollständige die anderen Schmetterlinge.

Punkte verbinden

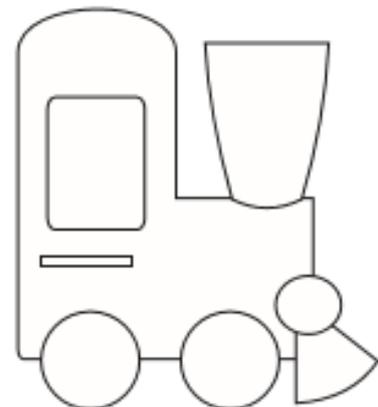

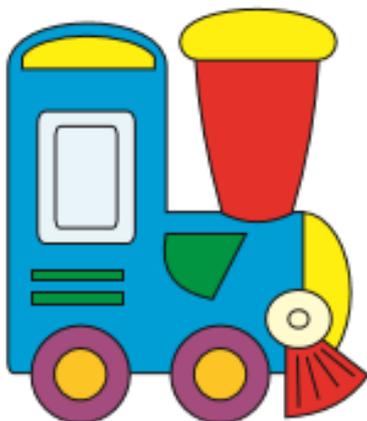

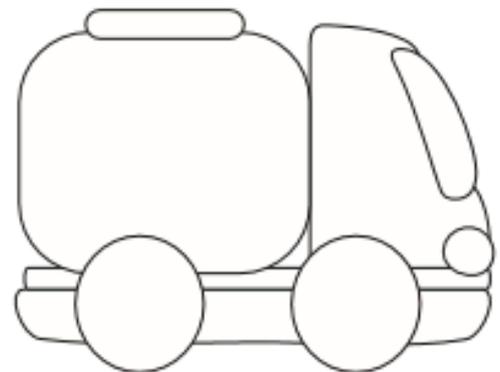

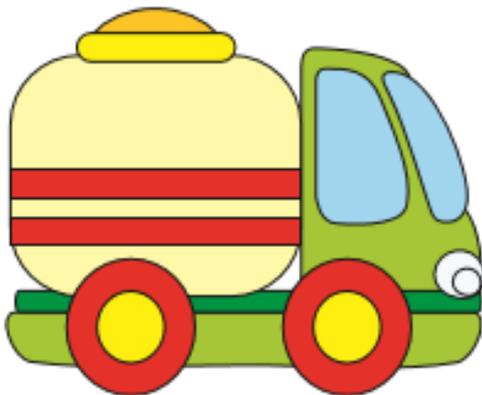

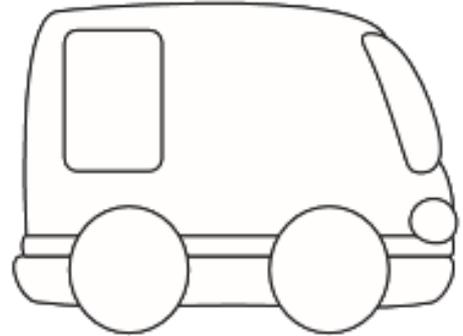

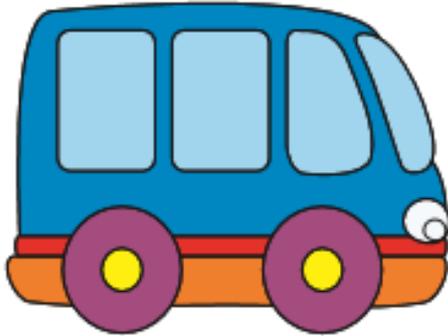

Zeichne die Bilder fertig und male sie aus!

Zeichnen und Malen

Schau genau! In jedem Bild rechts fehlt etwas.
Vervollständige sie mit dem Stift und male sie aus.

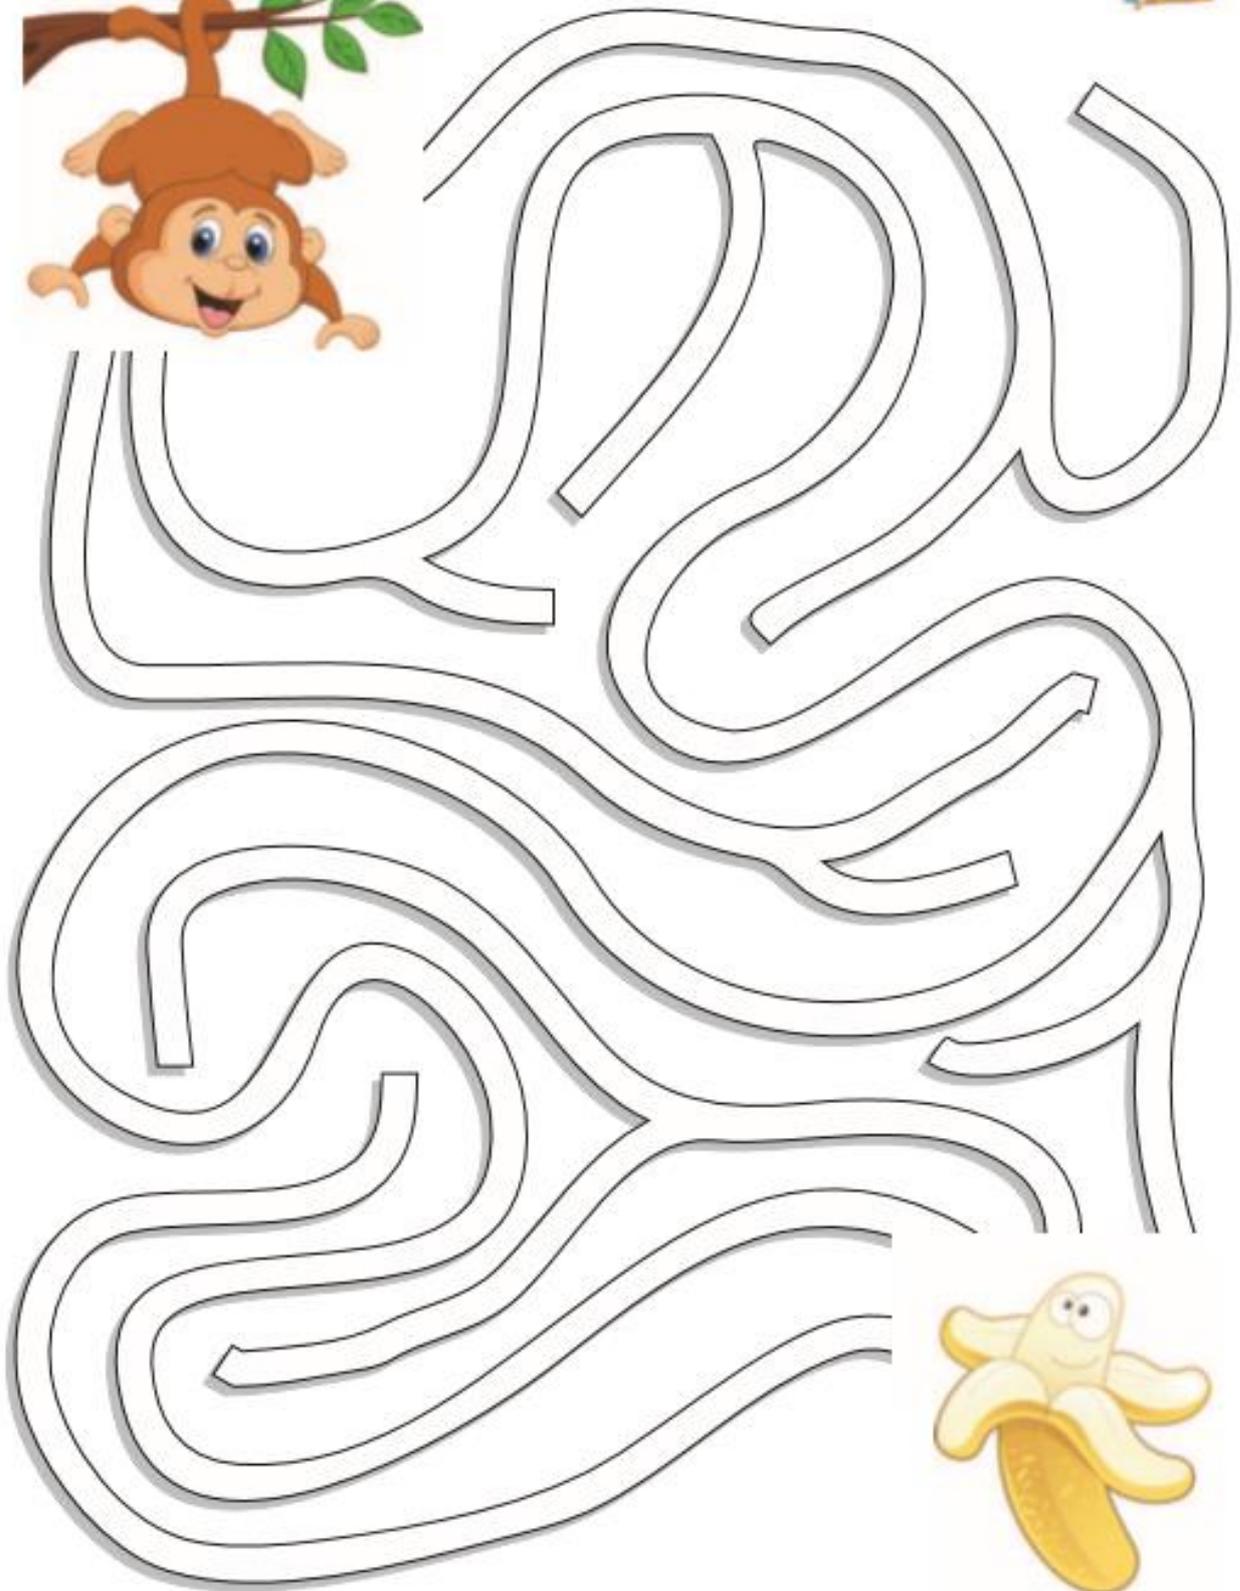

Punkte verbinden

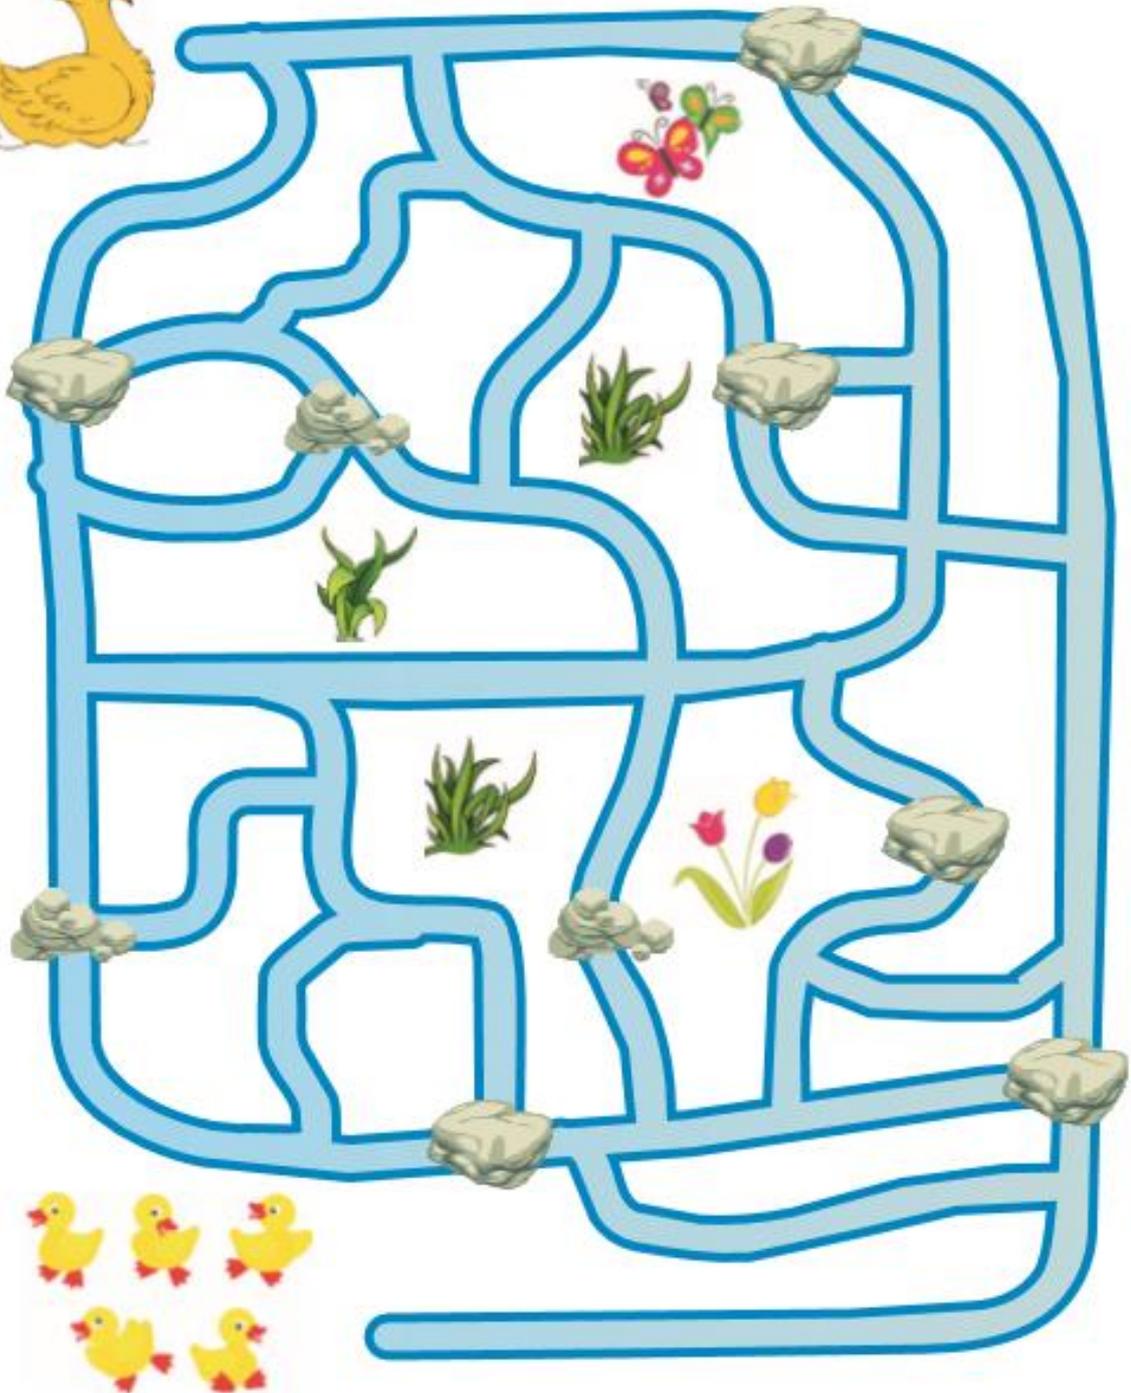

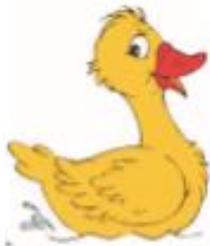

Zeichne die zweite Hälfte der angefangenen Figur!
